ROYAL BEE

Faint, illegible text in the top right corner, possibly bleed-through from the reverse side of the page.

Dedication

When it comes to the time when an annual must be dedicated, those in charge are faced with a truly heavy responsibility. They must select not only someone who has done some job or service well enough to deserve the honor, but someone with whom the students will be pleased. For this reason, the Royal Blue does not have a dedication each year.

The staff this year, however, feels that the person they have chosen is worthy of the highest praise and regard for her never-ending contributions, not only to the yearbook, but to the school. It is with the greatest pleasure and pride that we, the staff members, dedicate the 1954 ROYAL BLUE to our adviser, MISS RUTH GRAY!

Administration

Someone once said, "Use the past only in so far as it is useful in the future." Your Wa-Hi experience is going to be useful in the future because of your academic achievement, your participation in various activities, and your development of leadership and good citizenship. I sincerely hope that your future is bright and that you will not forget soon the days you spent in Wa-Hi. The friendships developed here, both with faculty members and classmates, will have even greater value to you in the years to come.

ARTHUR D. JONES,
Superintendent.

Each passing year brings me closer to our school and its traditions. The Royal Blue captures these thoughts and feelings, preserving them for posterity. It actually is a "Treasure Chest" of facts and memories that mellow through the years. It is important that our achievements are good ones as they go on record for all to see as the years go by. I'm proud of our accomplishments this year. We have overcome many obstacles and turned them into successes.

Congratulations to a fine senior class. May you be happy and successful always.

ROBERT KLAVANO,
Principal.

Wa-Hi has a rich heritage. For many years, the students and faculty, through their continued loyalty and initiative, have made this school one of the outstanding high schools in the state. During the past year, you students have added materially to this heritage by your good citizenship, scholarship, and your wholehearted participation in worth-while activities.

Congratulations to the staff of the Royal Blue who have again given so generously their time to create a lasting record of pleasant memories and enduring friendships; and to the seniors for your record of outstanding achievement—keep up the good work.

ALLEN REYNOLDS,
Administrative Assistant.

One of the big events of the year is "RB Day"; in other words the day that the Royal Blue is distributed to the students. The eagerness with which everyone awaits this day attests to the popularity of the school annual. The Staff deserves a great deal of credit for performing a very great school service.

The annual is a fine record of the school year, with its activities and accomplishments. Each of us might ask the same question: What is my record? Did I achieve all that I wished to achieve? Were my experiences valuable for training in citizenship? What are my hopes and plans for the future? Did I help make Walla Walla High School the fine school that it is today?

The Associated Student Body Cabinet met during the last two weeks of summer vacation for a meeting which came about as a very interesting, informative, and entertaining planning session for the opening assembly on the second day of school. The product of this meeting was a very well thought-out and vivacious skit which introduced, to the student body, the governing officers of the '53-'54 year and the newly acquired faculty members.

The officers introduced were President Tom Leonard, Vice President Dick Mobley, Secretary Elsie Filan, and Treasurer Carlene Frank. The Cabinet was also introduced at this time, and its commissioners are: Joe Bergevin, Buildings and Grounds; Ron Roscow, Halls; Annette Cote, Inter-school Relations; Don Cline, Stage; Eddie Epstein, Publicity; Scott Gruber, Chief Justice; Carolyn Reynolds, Organizations; Alice Ross, Assemblies; Don Shafer, Fire Chief. school government, were the A.S.B. officers,

bers on the cabinet in an honorary capacity were: Joyce Berney, Journal Editor; Dan Clem, Royal Blue Editor; Myrna Moore, Girls' Federation President; Dave Casper, Boys' Federation President; and "Chubby" Reiswig, Yell Queen.

This year's cabinet has accomplished more for the school and the youth of Wa-Hi than has been done for a very long while. Together, they "planted the seed" for a Community Youth Service Council. They did the work; all we must do now is to sit back and wait for the "seed" to grow and then enjoy the products of the cabinet's labors.

Two more extremely important projects were taken on and well accomplished by the cabinet. These were the organization of Wa-Hi drivers and arrangements for counsel and guidance for students who are in need of such.

They compiled and issued the "Student Questionnaire" which asked personal questions of the students and which resulted in the recognition of the need for a Recreation Center, other than the Shuffle Shop. This thought was presented to various city clubs, and it is our hope that they will do something with the idea.

These young people leave Wa-Hi with a record of accomplishment not soon to be forgotten. Much of the credit goes to A.S.B. Prexy, Tom Leonard, who devoted so much time towards the betterment of Wa-Hi.

Later the Junior girls presented the Senior Tea honoring the senior girls and their mothers.

Led by President Dave Casper, Vice President Don Scholl, and Secretary-Treasurer Jim Shepherd, the Boys' Federation embarked upon a program of activities and service that topped that of all previous years.

Again this year the Boys' Federation presented the noon movie program, which proved to be very successful. The movie schedule ran from mid-November to late March and aided greatly in cutting down the congestion in the halls during the winter months. The films shown included: "Father Was a Fullback," "The Day the Earth Stood Still," "Call Northside 777," "Ticket to Tomahawk," "Miracle on 34th Street," "Slattery's Hurricane," "Jim Thorpe, All-American," "David and Bathsheba," "Treasure of Sierra Madre," "Monkey Business," "Breakthrough," "Mr. 880," "Bird of Paradise," "The Frogmen," "The Jackie Robinson Story," and "With a Song in My Heart." Finances gained by the program enabled the Federation to buy a new screen, speaker, and projector to be used in the auditorium. They also bought a blond-wood drop-leaf table for the Girls' Federation to use for teas and other social events.

The intramural program was well organized and directed by Jim Hopkins, Intramural Manager. Awards were given to the members of the championship teams in all the sports played.

organization, the Boys' Federation.

The Federation's corresponding secretary, Glen Coffey, wrote letters to boys absent from school for an extended period. Enclosed with these letters were copies of the Wa-Hi Daily Journal and other interesting news from around the school.

Assemblies presented to the boys this year included a bow and arrow exhibition, a film and lecture by the Washington State Game Department, a film of the 1953 World Series, and an invitation from the Girls' Federation to attend their Christmas assembly.

The two Federations combined their efforts to present a frolic for freshmen and transfers at the first of the year and to conduct the eighth grade visitation day in the spring.

All in all it was a successful year from the standpoint of service performed and goals accomplished.

One of the high-lights of this year, the eleventh year of publication for the Journal as one of the few high school dailies in the nation, was the Homecoming edition prepared by the staff in October. This four page paper boasted an entire page of pictures, a feature unprecedented in the Wa-Hi Daily Journal's history.

Heading the staff for 1953-54 were Editor Joyce Berney, Associate Editor Dick Mobley, Front Page Editor Nancy Powers, Back Page Editor Sharon Allen, Business Editor Virginia Gobble, and Exchange Editor Carol Swegle. Miss McGovern continued to serve as the Journal's guardian angel, the adviser.

At the beginning of first semester six reporters, Janice Barer, Ed Carter, Dick Esteb, Rox Alee Martin, Janet Ruff, and Lea Stegmiller, rounded out the rather small staff. Second semester found eighteen new report-

Our football teams again

The 1953 Varsity football team, led by Captain John Hergert, coached by Felix Fletcher and John Klumb, and managed by Dick Gohlman and Paul Dague, went through the season with two wins, three ties, and four losses. John Hergert was named to the All State team with George Sullivan as alternate. The best summary of the nine game run is that of Dick Mobley, who said in part, "This year's team played good football; maybe not the game people have been used to seeing of previous Wa-Hi teams, but they played and learned a lot about football and sportsmanship. (A good sport knows how to lose as well as how to win.)"

Playing a vital role in the field of sports at Wa-Hi are the B Squad and Freshman football teams. These two hard-hitting representatives of the Blue Devils battle during the football season with their respective opponents; and while sometimes they don't rate as much attention as the Varsity, their victories are applauded and their losses mourned by all of Wa-Hi. The 1953 season saw the B's with three wins and four losses, while the Frosh came through with flying colors, winning six games and losing only one.

The Wa-Hi Band and Orchestra had a full schedule this year. The activities of the band were divided into two parts: the marching band and the concert band. As a marching band, they played for the centennial celebration at the Fair, several parades, military reviews and the halftime programs for six football games. They also traveled to Pullman and Richland. The concert band played their first concert for an audience of parents in November. They then played two other concerts, one with Raphael Mendez as the guest artist. As usual the band has had a full schedule of events in performing for community and school functions and providing a pep band for basketball games.

The majorettes and flagswingers represent the glamorous side of the band's activities. These girls are on hand whenever the band marches and were a main attraction in the football and basketball half-time pageants.

The Orchestra, under the direction of Clarence Cassell, has almost complete instrumentation for a symphony with forty-six members signed up for credit. The orchestra plays for all the school plays, operettas, combined concerts, and gives a spring concert of its own.

What would school spirit be without the yell squad?

The Wa-Hi yell squad of 1953-54 really boosted the school spirit with their many peppy and energetic yells. Fulfilling the duties of Yell Queen and Yell King were Darlene "Chubby" Reiswig and Ed Carter. Returning with them to the squad were juniors, Ronnie Lou Nalder and Bill Anderson, while the newly elected members were Gloria Hayes and Gene Hume, also juniors. Little Stevie Reiswig served as mascot.

With the help of their new adviser, Mr. Keezel, the squad undertook many activities. The organization of the Homecoming parade was one of their main projects. This included making signs, arranging for convertibles for the royalty, and inviting alumni to ride in the parade.

Pep assemblies during the football and basketball seasons were planned by the yell squad and the school clubs. "Coach, Team," "With a Big W," and "Devil's Drone" were some of the new yells for this year.

The boys on the squad changed their uniforms this year. They are now white-letterman sweaters and white cords with navy tee shirts and shoes.

Annette Cote' and Dick Mobley were King and Queen of Wa-Hi's fifth annual Homecoming, with Pearl Livengood, Don Scholl, Joyce Berney, and John Hergert as their supporting royalty. Queen Annette was crowned by Mr. Klavano during half-time at the Homecoming game and then again at the dance by Student Body President Tom Leonard.

Highlighting the Homecoming celebrations was the dance, "Blue Satan," while many other activities were featured during the long week-end. Among these were a beard-growing contest, won by Ray Joseph, a parade without the usual floats, the decorating of downtown store windows by service clubs, with the first-place cup taken by El Adrea, a serpentine, and the game with Yakima.

FFA BARN DANCE

(Upper right) JANICE OWSLEY.

(Middle) SHORTY MEEK AND JANICE OWSLEY.

Janice Owsley reigned as queen and sweetheart of the Future Farmers of America's annual Barn Dance, which was held in October. Straw benches, a brown false ceiling, and a throne of sacks set the scene to be that of a barn. Pictures were taken in an old-fashioned buggy.

Janice, who was selected by the FFA members, was crowned during intermission by Chapter President Joe Bergevin, and was presented with a bracelet by the boys. She was their "sweetheart" throughout the year, was an honorary member at all their affairs, and received a "sweetheart" jacket.

The spotlight turns on drama.

Our vocal department had a very successful year

The Wa-Hi vocal department consisted of several units this year; consequently every student interested in music had an opportunity to take an active part in this program. The Christmas season featured the annual vocal concert presenting the entire vocal department. Two new additions to the vocal department this year were the Seventeens and the Sophomore Ensemble, both outstanding in their efforts.

Under the direction of Robert McGrath, the choir had a very active year. They gave many concerts with a varied program of religious and spiritual numbers for such groups as community service clubs, teachers' institute, and the midwinter concert. A year of experience and enjoyment ended successfully in the spring with attention centered on the bright operetta "Firefly."

Shuffle Shop again served as a "haven of rest" for the students.

Top: CHITA COUSINS. Bottom: ED CARTER, TERRY TUCKER, RON REIHL.

The past year has been a very enjoyable one for those who have attended the Shuffle Shop. The commissioners this year were all seniors, without the underclass representation there had been in past years. This method was adopted last year and proved so successful that it will be continued in the future. Chita Cousins, Suffle Shop commissioner appointed by our student body president, along with Ed Carter, Terry Tucker, and Ron Reihl, commissioners elected by the students, and Miss Kamm of the YWCA, were the ones responsible for organizing the 53-54 activities.

Nine school service clubs alternate in decorating the Shuffle Shop through the nine school months. The decorations this year have been very impressive, with those of Christmas and the Hi-Y slave market being considered the best. The club which gave the most service to the Shuffle Shop was given a plaque at the end of the school year.

Among the many parties that were held, two of the most memorable were the ticket-holders' party, carried out on a western theme, and the annual freshman class party.

Producing two weekly radio programs kept the advanced speech class hopping.

Wa-Hilites and the Wa-Hi Omnibus Show were the proudly hailed results of the efforts of the advanced speech class. Under the direction of Mr. Alexander, or Mr. A., as his students affectionately know him, the class produced these weekly programs throughout the year over the two local radio stations.

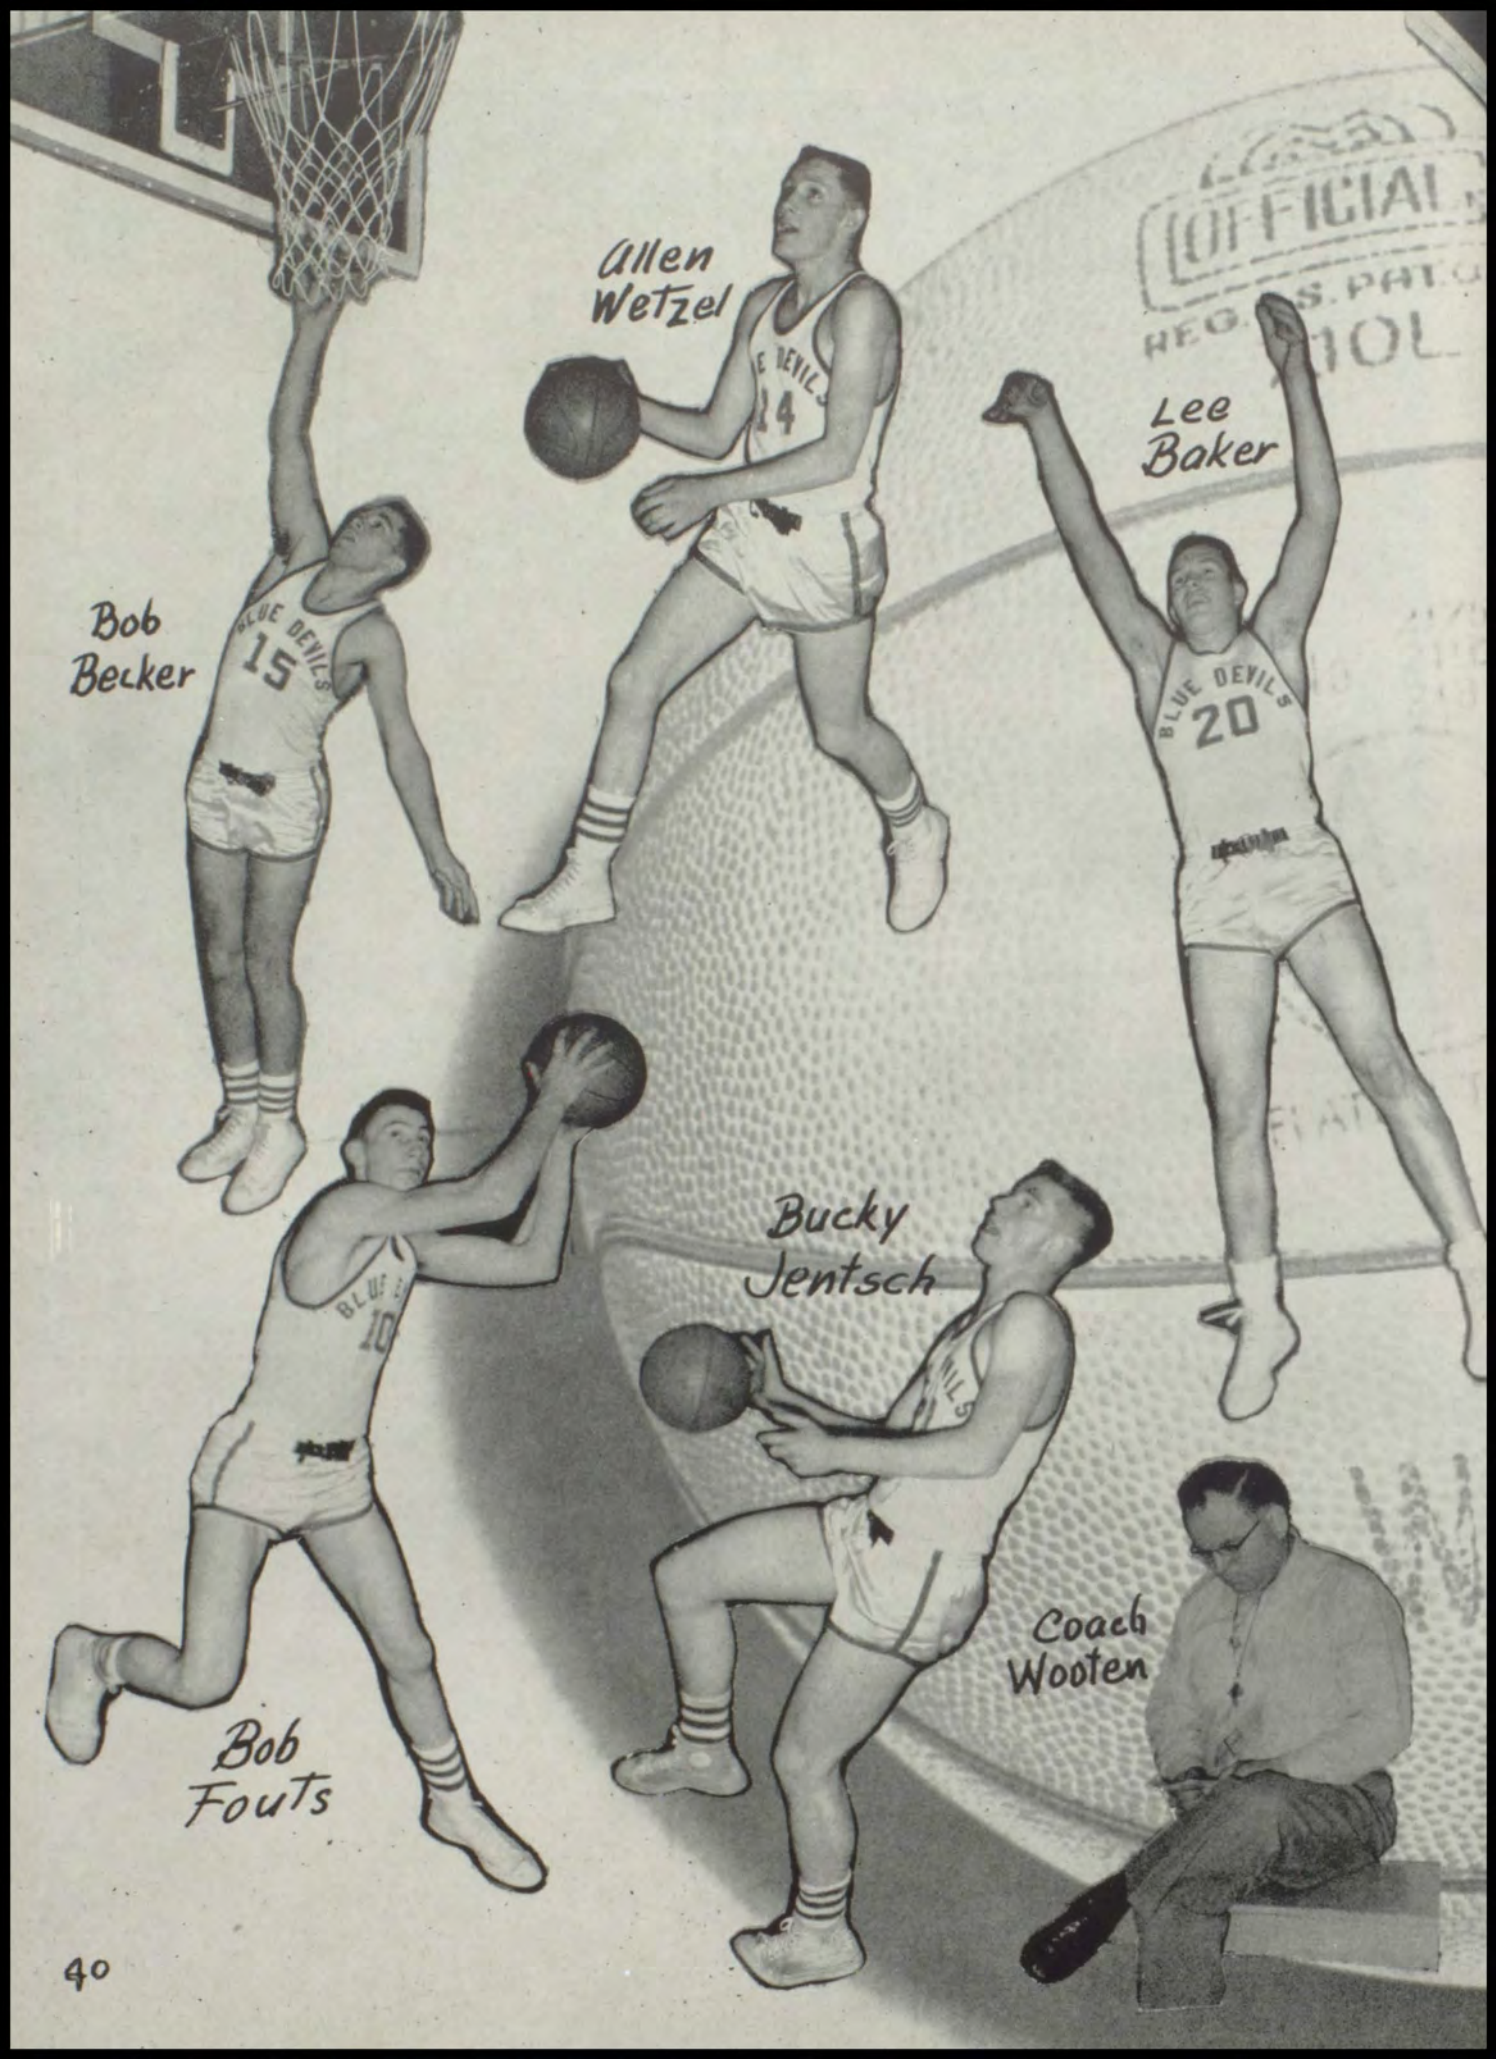

Wa-Hilites is a fifteen minute broadcast of news, sports, and features current happenings around school. Omnibus is a half hour program which may include such things as music, drama, special events, and creative writing.

With six returning lettermen, one a starting guard on last year's team and another the number one replacement, Coach Wooten looked down at the frosh and B squads for top flight material to bring up for experience during the season. Though the Blue Devil team of '53-54 was one of the shortest in years, Wa-Hi played a spectacular season with ball hawking, sharp shooting, and fast break tactics.

The Blue Devils opened their regular season by defeating the Wenatchee Panthers 41-24. Bob Becker and Clyde Catron led Wa-Hi with 13 and 10 points respectively. Then a tall Sunnyside team edged Wa-Hi 47-46. The Devils were playing without Bob Fouts, who was benched because of illness. Returning home, Wa-Hi defeated three Spokane teams, John Rogers, Lewis and Clark, and West Valley. The North Central Indians then scalped the Devils as they took home a 58-53 victory.

From then on the Devils went wild outshooting, outplaying, and outscoring all competition. The regular season win streak went to 14 straight.

The highest scoring game for the Devils was a 73-34 victory over the Pullman Greyhounds. Bob Becker took game honors with 19 points. A 72-54 win over the Colville Indians almost duplicated the 72 point mark against West Valley. As the regular season drew to a close, the Clarkston Bantams almost knocked Wa-Hi's win streak in the red. The Blue Devils came out on top in the 46-44 free-for-all.

Wa-Hi captured the District Tournament in Wenatchee and earned the single entry to the State Tournament by defeating Cashmere and Central Valley.

During the second week of March, the Devils traveled to the State Tournament for the 25th time in 30 years. After losing their first tourney game to Auburn 60-50, the Devils went ahead to defeat Renton 53-39, Vancouver 56-48, and finally Montesano 63-60, to take fifth place in the tournament. Bob Beckel, junior guard, proved to be consistent in his scoring and totaled 49 points. Captain Bob Becker totaled 48 points and played good enough ball to be chosen guard on the second all-state team.

Our basketball teams proved themselves excellent ball players

Club Council is a group composed of the presidents of all the service and interest clubs plus one representative from each and is presided over by the Commissioner of Organizations. Its purpose is to set up and enforce rules and standards for all clubs to follow, to coordinate the clubs that they may be a purposeful, smooth-running force, to bring the clubs to a better common understanding, and to stimulate school and community service projects. Some of the Council's joint activities this past year have been Homecoming window displays, Disabled Veterans' Drive, March of Dimes, Spring Frolic, and Play Day Booths.

The officers were Carolyn Reynolds, Chairman; first semester secretary, Mary Lynn Davin; vice president, Eddie Epstein; scribe, Joyce Berney; second semester secretary, Janice Owsley; vice president, Paul Dague, and scribe, Elinor Ulrich.

As usual, the work of the service clubs resulted

Grenno Se Cee

Under the advisorship of Mrs. Robert Gallivan, the first project of Grenno Se Cee was decorating a store window, a contest in which they placed fourth. Before Christmas, the club erected a big Christmas tree at school with effective blue lighting. The annual Sadie Hawkins Dance put on by GSC was held February 12, concluding Twirp Week. Along with many other activities for the school and community, the club put on a pep assembly and entertained the student body with "Grenno Se Cee's Popular Selections," a "TV Show" assembly.

Starting off a successful year of school and community service, Soromia placed second in the Homecoming window display contest. in profit for the school and the community.

FD Hi-Y

FD Applegate Hi-Y had perhaps the most exceptional of its four years of existence. A new angle on cake sales was tried by selling made-to-order cakes. Other activities were an informal party, the "Y Funival," a Mother and Son banquet, the joint Hi-Y assembly, the Varsity Ball, the annual Hi-Y picnic, ushering at the Senior Play, and selling programs at football games. Also the club sent a number of members to the Washington State Youth Legislature held in Olympia in the spring.

WW Hi-Y

During the last year WW Hi-Y has been active, not only in school activities, but in community service as well. Their activities for the year have included the assembly, "Dirty Dan Returns," which they presented in collaboration with the other two Hi-Y's, a frolic, a Funival, several parties, and the burning of the W during halftime at the Homecoming game. The club was fortunate in having as their adviser, Mr. Jack Partin.

Not among the least of these actions was

Equites Hi-Y

Although having just received its Hi-Y charter, Equites Hi-Y upheld the same high ideals in its activities and its members as it did previously. Equites Hi-Y service to school and community was extensive and varied. Parking cars at football games, selling concessions during games, sponsoring a production of the "Little Theatre," donating \$30 for Japanese Hi-Y, purchasing a Christmas package, and being active in the Youth Legislature program were only a few of their activities. The donation of colored lights to the school for use at dances was another service sponsored by Equities Hi-Y.

Retail Clubs

The Retail Clubs are made up of students enrolled in the Retail Merchandising classes. Wa-Hi has two classes and two clubs. These are affiliated with State and National Retail Clubs and also have a Tri-County group with Pasco and Richland, which encourages good public relations in this area.

Among the activities of the two organizations during the year were their assembly, which was presented in the spring, and their frolic, "Spook 13," which was held on Halloween. Besides these, they are responsible for the Lost and Found for the Girls' Fed., taking care of the Devils' Den, and ordering class rings and Senior announcements. One of their greatest services to the school is the sale of Savings stamps, which is a regular part of their work each year.

Wayne Kuhn of Wa-Hi was the State President and presided at the State Convention in Yakima, March 28, 29 and 30, and also attended the National Convention in Texas in April.

Also for the benefit of the student body were their cake and candy sales and the bulletin boards they decorated. On the community service slate, they participated in the DAV drive, decorated a float and a store window for Homecoming, and filled a basket and made toys for the needy at Christmas. That they also had fun on the side is evidenced by their parties, installation, and initiations.

Sharon Allen, senior, was crowned as Queen of this year's Varsity Ball on Friday, March 21. She was crowned by Paul Dague, president of FD Hi-Y, sponsor of the dance. The coronation took place at intermission and included a presentation of wrist corsages to class princesses Elizabeth Roberts, junior; Marilyn Ord, sophomore; and Lin Eubanks, freshman.

The gym, decorated in a spring theme, was done in red, white and blue and consisted of a false ceiling and walls and an elaborate throne. Refreshments of cookies and punch were served during the intermission. The Wa-Hi Combo provided the music for the affair.

The boys tumbling team, under the supervision of Coach Chuck McBride, is well on its way with the completion of a very successful second year. Putting on half time entertainment at two basketball games, doing their part of the P.E. demonstration, and originating the yearly project of presenting an assembly were their major highlights. Included in these programs were forward and backward flips, assist backflips, forward and backward rolls, forward and backward hand springs, head springs, and head stands. The team used a springboard, also, which aided them in some of their very thrilling stunts.

The assembly put on for the Student Body started with all the boys demonstrating their interpretation of a caterpillar. This is new this year and quite delicate, for if any one person gets off one step it will topple the caterpillar over on its side. Many thrills came next, ending with Darrell Morton jumping over most of the group.

Summing it up, the team this year has had a lot of fun, learned a lot, and given much to their large audiences in enjoyment and thrills.

One of the main extra activities of the ROTC was the white-trimmed Drill Team which performed during half-time at football and basketball games, in all parades, and for Federal Inspection. The team, this year led by Lt. Col. Epstein, and consisting of the top men in the Cadet Corps, was termed excellent by visiting inspecting officers.

The Boys' Rifle Team also was highly efficient. Coached by M/Sgt. Shelton G. Bullard, a new-comer to Wa-Hi, they tried hard to uphold their record of last year, which consisted of placing third in the Sixth Army Area. This was accomplished with high success.

New personnel were added to the ROTC staff as others were transferred to different areas. It was led by Captain Charles P. Flanagan, PMS & T, who taught third year military as well as advising the Drill Team and the Sponsor Corps. M/Sgt. Virgil P. Wright was in charge of the second year and also the Girls' Rifle Team. The Walla Walla Chapter started the year by receiving the Master Chapter Award as one of the outstanding chapters in the State of Washington. John Nordheim received the American Farmer Award for 1953. Joe Bergevin, Larry Axtell, Larry Dodd, Bob Madison, and Jim Shepherd were named state farmers. David Carey received the National Farm Mechanic Award.

In October the F.F.A. held its annual barn dance at which Janice Owsley was named F.F.A. Sweetheart for the coming year. Other projects included Christmas trees for the school, a basketball team which played other district teams, the annual parent and son banquet, crop identification and parliamentary procedure teams, exhibition of livestock, crops and poultry at the South-eastern Washington Fair. The judging team took fourth place at Walla Walla, third at Yakima, second at Dayton and first at Pullman.

The chapter grass co-operative operates some thirty acres of grass each year. Its machine co-op owns a complete line of farm implements while the chapter owns Hampshire sheep, Hampshire swine and registered Hereford cattle.

In April a delegate and chapter candidates for the State Farmer degree attended the state F.F.A. convention. Several members took livestock to the Spokane Junior Livestock Show. Thirty-five new members received the greenhand degree; twenty-three became chapter farmers. Under President Joe Bergevin, the future farmers were busy fulfilling their motto—Learning To Do, Doing To Learn, Earning To Live, Living To Serve.

SQUARE DANCING: FRESHMAN P.E. CLASS.

Girls' sports, supervised by Mrs. Grace Houghton and Miss Rhea Gray, play a big part in the girls' activities around Wa-Hi. This year something different was tried and found very successful. This was one class specializing in dancing and individual sports, instead of the team sports the other classes participated in. This class provided entertainment at the Odd Fellow's Home and at the P.E. Demonstration, March 5.

After-school sports were well attended and many a hard fought game was played. The managers of the various sports are as follows: speedball, Priscilla McBride; basketball, Marian Ulrich; volleyball, Golda Lockard; table tennis, Vernice Noble; and badminton, Edna Gies. Doreen Hunter won the badminton tournament.

Girls' tumbling, taught by Miss Gray, performed for the P.E. Demonstration.

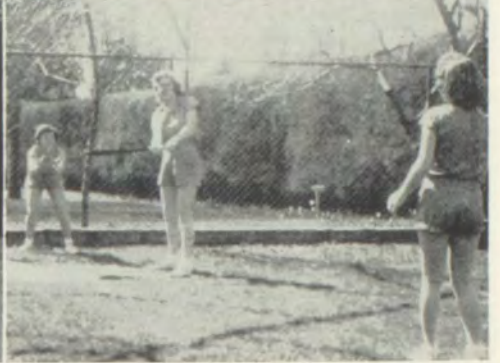

BASKETBALL: FRANCES DANIELS, CATHERINE CASPER, JANICE LAMOTT, JANE ANN SIVERTSON, CAROL ANN JONES. *Side Lines:* SARA JO FOSS, JUDY MEIER, CATHY LUND, PHYLLIS THOMPSON, BARBARA BRUNTON.

Three juniors, Golda Lockard, Priscilla McBride, and Cathern Wilson, and, although it is very unusual, two sophomores, Edna Gies and Doreen Hunter, were awarded their letters, mid-year.

Ten girls attended a play-day at Pasco, February 20, and also attended one at St. Pauls, May 1.

Girls' Athletic Association officers this year are President Marian Ulrich, vice president Golda Lockard, secretary Pat Blize, publicity chairman Elinor Ulrich, and sergeant at arms Jackie Hill.

Altogether the Girls' Sports program was well carried on and very successful.

Members of all four classes were invited to participate in producing
the All School Play.

"My Little Margie," a comedy about the troubles of the famous radio and television character, Margie Albright, was produced as this year's All School Play. Margie, herself, was played by Sandra Selden, with Tom Leonard as her frustrated father, Vern Albright, and Steve Oury as her long-suffering boy friend, Freddie Wilson.

Others in the cast were Mrs. Odetts, Billie Marie Arbuckle; Mr. Honeywell, Robert Corlew; Roberta, Janet Farrens; Sir Sayid Nasif, Chuck Branson; Miss Sherman, Jeannie Lilley; Bill, the elevator boy, Herb Talabere; Madame Nasif, Nancy Kerr; the nurse, Joan Arthurs; and the Berabian assassin, Ray Joseph.

SAFETY COUNCIL: *Upper Right (standing):* KAYE MURDOCK, MIKE MORRIS, BOB BURY, MYRA CARTER, BOYD ROTH, MR. BISNETT. *Seated:* RED DELANY, SHARY JACKSON.

Besides their curricular program, the students at Wa-Hi have a very full activity schedule. Some of the activities that this program includes are school service clubs, that meet on alternate Tuesdays and do the school and the community a great deal of service; ROTC Drill Team, Flagswingers, Sponsors, and Majorettes, who spend a great deal of time preparing to entertain us at football games, parades, and many other public affairs; and Girls' and Boys' Federations, which contribute much to our school government.

One of the outstanding activities of Wa-Hi this year was the trip to Seattle for State Tournament. The band, along with the basketball team and many students, went to Seattle to support our team. Our sports program also includes football, baseball, track, and tumbling, in which many students participate.

The Royal Blue

The Bible says, "In all labor there is profit," and judging by the books that have been published through their efforts, this statement can well be applied to the staff of the Royal Blue. Throughout the year when the annual is only a vague, far-off dream in the minds of most students, it is a stark (and sometimes grim) reality to the staff members.

At the helm of the hard-working crew this year were Editor Dan Clem, Associate Editor Merry Altemus, and Adviser Miss Gray. Make-up Editor Louie Hamm, Copy Editor Virginia Gobble, Picture Editor Joan Hosfelt, and Index Editor Nancy McAdams, heading their respective departments, combined their efforts to produce the pages before you. Handling the financial end of the organization were Co-Business Editors Betty Gruenich and Norma Simons.

The '53 '54 Sophomores showed much talent and leadership ability.

leadership ability.

Leading this class in all their undertakings first semester were; Jim George, President; Melvin Hill, Vice President; Peggy O'Neil, Secretary; and Robin Beck, Treasurer. Serving as class representatives for the Boys' and Girls' Federation Cabinets were Richard Anderson and Ann Shepherd, respectively. Two girls, Jane Ann Sivertson and Susan Gilmore, were members of Girls' Council. The advisors for the Sophomores were Mr. Robert Bisnett and Mr. Jack Partin.

During the second semester, the class leaders were: Bill Weber, President; Red Delaney, Vice President; Ann Shepherd, Secretary; and Dorothy Francis, Treasurer.

Richard Anderson remained Boys' Federation Cabinet representative while Janice Frank became the Girls' Federation Cabinet representative. Serving on Girls' Council this semester were Sue Roth and Beverly Hill.

The most outstanding accomplishment of the Sophomores in the second semester was their realization of something that they had been working towards all year: Sophomores will be able, from now on, to order their class rings during the latter part of their sophomore year so that they will be able to wear them during summer vacation and all their junior year instead of merely two-thirds of it. Their zealousness in accomplishing this task will be credited to them always.

The Juniors prepared themselves to take over the A.S.B. leadership in their Senior Year.

During their first semester, the Juniors were very capably led by: Bill Kirkman, President; Al Elliot, Vice President; Marilyn Spray, Secretary; and Carol Ann White, Treasurer. The Boys' Federation Cabinet representatives were Paul Dague and Larry Warner and the girl who filled this office for the Girls' Federation was Carol Lee Lutton. Serving on Girls' Council for the Juniors this semester were Donna Mae Marr and Elizabeth Roberts.

The big project for these lower-upper classmen this semester was the planning and carrying out of the Junior Prom which is always a big affair. To raise funds for the dance, this ambitious class gave a lively frolic on a night when there was no game and nothing much to do. This netted quite

a bit and they added to that sum, the money made from a Junior class Cake Sale and two Candy Sales.

For the second semester officers, Bill Kirkman and Marilyn Spray retained their offices of President and Secretary respectively, and Allen Wetzel took over the position of Vice President while Gail Anderson became Treasurer. The Boys' Federation Cabinet representatives remained the same and the Girls' Federation Cabinet representative office was taken over by Susan Timmons. Serving on Girls' Council were Evelyn Kelly and Gloria Hayes.

Junior class advisers were Mrs. Conway and Mrs. Gallivan.

FIRST SEMESTER OFFICERS: BILL KIRKMAN, CAROL ANN WHITE, AL ELLIOT. Not Pictured: MARILYN SPRAY.

SECOND SEMESTER OFFICERS: Standing: BILL KIRKMAN, ALLEN WETZEL. Seated: GAIL ANDERSON, MARILYN SPRAY.

*The Seniors marched through
the portals of graduation and
out onto the road of life.*

Once again, the senior class of Wa-Hi marched to the strains of "Pomp and Circumstance." This year it was the Class of '54 that was granted the satisfaction and glory of this moment that they had awaited so long.

The first semester officers of the class were President Eddie Epstein, Vice President Terry Tucker, Secretary Lea Stegmiller, and Treasurer Annette Cote. Eddie was again President during the second semester, while the other officers were Vice President Jim Hopkins, Secretary Shari Smith, and Treasurer Mary Jane Milbrath.

Myrna Moore led the Girls' Federation, and for the first semester, Nancy McAdams and Marian Ulrich were representatives to Girls' Council, with Sharon Allen on Girls' Cabinet. Second semester, Faye Rigsby and Darlene Reiswig were on Girls' Council, and Peggy Nessel was on Girls' Cabinet. The Boys' Federation was presided over by Dave Casper with Gary Darling and Jim Jeepe, representatives to Boys' Cabinet for both semesters.

The Class of '54 stands high in scholastic achievement with Carolyn Reynolds and Eddie Epstein sharing the honor of Valedictorian. Both have 4. grade averages. Marian Ulrich was class salutatorian with a 3.95 grade average.

Other successful ventures of the class, under the guidance of Mrs. Guenther and Mr. Klavano, were the Senior Play, "Charlie's Aunt," the Senior Ball, "Street Scene," and the Senior Sneak.

SECOND SEMESTER OFFICERS: SHARI SMITH, MARY JANE MILBRATH, EDDIE EPSTEIN, JIM HOPKINS.

FIRST SEMESTER OFFICERS: LEA STEGMILLER, ANNETTE COTE, TERRY TUCKER, EDDIE EPSTEIN.

Even as the sun slowly sinks below the horizon, so this year draws to a close. It has been, for most of us, a year of happiness and goals achieved; a year of ideals and ambitions realized. In the future as you look back on it, may this book serve as a chronicle of the happenings that meant so much to all of us. May it be a record of your joys and triumphs, and even of some of the more sorrowful moments; for life has its bitter as well as its sweet.

We hope that you will never forget Wa-Hi and all it stands for; that you will always remember the friends you met and the things you did here, for they have become an irrevocable chapter in your life and in the history of this school. The Wa-Hi Blue Devil can well be proud of the '53-'54 year, for it has been one of accomplishment and satisfaction.

Acknowledgments—

As a final note, the staff of the Royal Blue would like to take this opportunity to thank those who have made the publication of this book possible. Our special appreciation is extended with heart-felt thanks to: the students, faculty, Bontrop, DeBunce, Miller, Roberge, and Vitart studios, Mr. Bob Graves, Dr. C. Balcom Moore, the Walla Walla Union-Bulletin, the Walla Walla College Bindery, Arcraft Engraving Company, S. K. Smith Cover Company, and the patrons and patronesses. We've had a lot of pleasure and hard work in-making up the annual this year, and we hope that in the future you will get as much enjoyment as we have had from the 1954 ROYAL BLUE.

A few of the last activities of the '53-'54 year were the Junior Prom and the Senior Ball.

Elizabeth Roberts was crowned queen of the Junior Prom by Bill Kirkman, Junior class president. Her crown was of white carnations. The members of her court were Janice Baker, Gloria Hayes, Virginia Saiter, and Sandra Selden. The princesses were presented wrist corsages of white carnations.

The decorations, done in purple, lavender, and turquoise, carried out the theme, "Kismet." A false ceiling, slanting from the center, very authentically represented a tent. The queens throne was done in purple velvet and the princesses sat on grey velvet cushions. Setting off the oriental effect were larger than life size silhouettes of Arabian dancing girls.

Eddie Aliverti and a portion of his band provided the music for the affair.

The annual Senior Ball, April 30, was a gay affair which a large part of the senior class attended.

The theme of the dance, "Street Scene," was carried out with murals on the walls and a star studded ceiling.

At intermission Peggy Nessel, queen, and her court consisting of Mary Lynn Davin, Mary Jane Milbrath, Janice Owsley, and Sheri Koehler, were crowned by Senior Class president, Eddie Epstein.

Ray Thompson's Band provided the music for the ball; and delicious punch and cookies were served at intermission.

Jr. Prom Royalty—Princess, VIRGINIA SAITER; Queen, ELIZABETH ROBERTS; Princess, GLORIA HAYES; Jr. Class Prexy, BILL KIRKMAN; Princesses, JANICE BAKER and SANDRA SELDEN.

Senior Ball Royalty—Princesses JANICE OWSLEY and MARY JANE MILBRATH; Queen PEGGY NESSEL; Princesses SHERI KOEHLER and MARY LYNN DAVIN.

The Varsity and B Squad Baseball Teams came through as "Victors" again this year . . .

The B Squad Baseball team had a very successful season this year, winning ten of their fourteen games and losing only four. The squads played eight home games and six out-of-town games under the supervision of Coach Richardson.

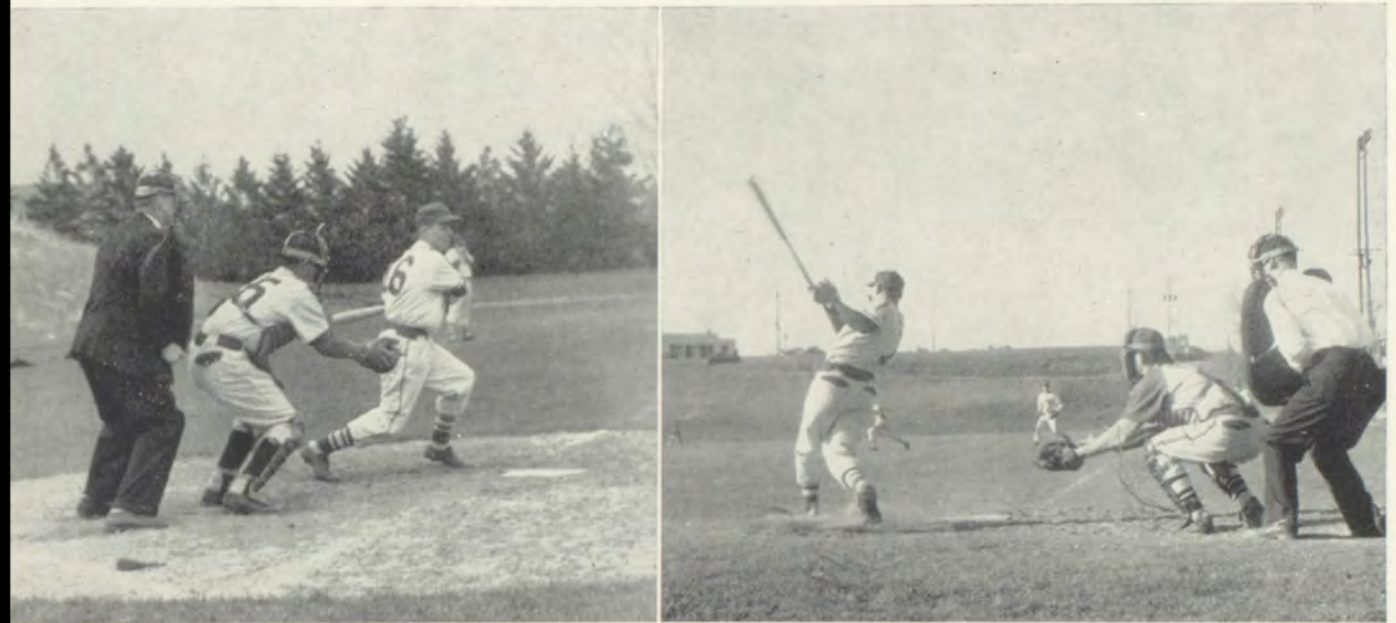

The B Squad infield saw Gary Rogers and Dick Hanford at first, Warren Weaver and Mike Kight at second, Dennis Schaffert at shortstop, and Gary Banks at third. In the outfield were Paul Hayes and Jerry Colley in left, Larry Hayes and Fred Kimball in center, and Ben Colley in right field. Pitchers for the squad were Eulon Brown, Eddie Royce, Bob Schoesler and Bill Coryell. Taking the catching honors were Bill Hamond and Bill Hartley. Paul Hayes and Warren Weaver came up with the highest batting averages at the end of the season.

The Blue Devil baseball team of '53-'54 under the fine coaching of Boots Wooten had one of the most successful seasons ever enjoyed in the history of the favorite American sport at Wa-Hi as they wound up their nineteen game schedule with thirteen wins and six losses. The Washington State record was nearly perfect as Kennewick was the only team to boast a victory over the Devils, taking only two, at that. The other losses were: three to Lewiston and a single loss to Mac-Hi.

Mac-Hi, although they took an early season 4-3 victory from Wa-Hi, did not fare as well in the three following games as Wa-Hi amassed 43 runs against their 13.

The Devils infield consisted of: team captain Bob Fouts, senior, at first; Wayne Lee, junior, at second; Bob Becker, senior, at third; and Phil Stoller, junior, at short. The outfield saw Bob Beckel, Darrell Morton and Lee Baker or Bucky Jentzsch throughout the season. Doing a good share of the catching was freshman, Brent Wooten, while Gerwyn Jones, junior, and Jim Hopkins, senior, also saw considerable action.

The pitching was pretty well divided amongst John Hergert and Dick Mobley, seniors, and Bucky Jentzsch, junior, although Allen Wetzels, junior, and Bill Weber, sophomore, were kept in constant reserve.

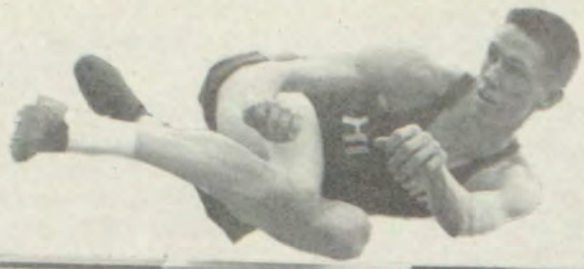

Hergert had a season record of 5 wins and 3 losses. Mobley had 5 wins and 1 loss, and Jentzsch had 3 wins and 2 losses.

Utility infielders were Monte Kauffman, senior, third baseman, and Robin Beck, sophomore, short-stop. Dick Wright, sophomore, was an outfield reserve.

. . . And with spring comes the Devil's track team . . .

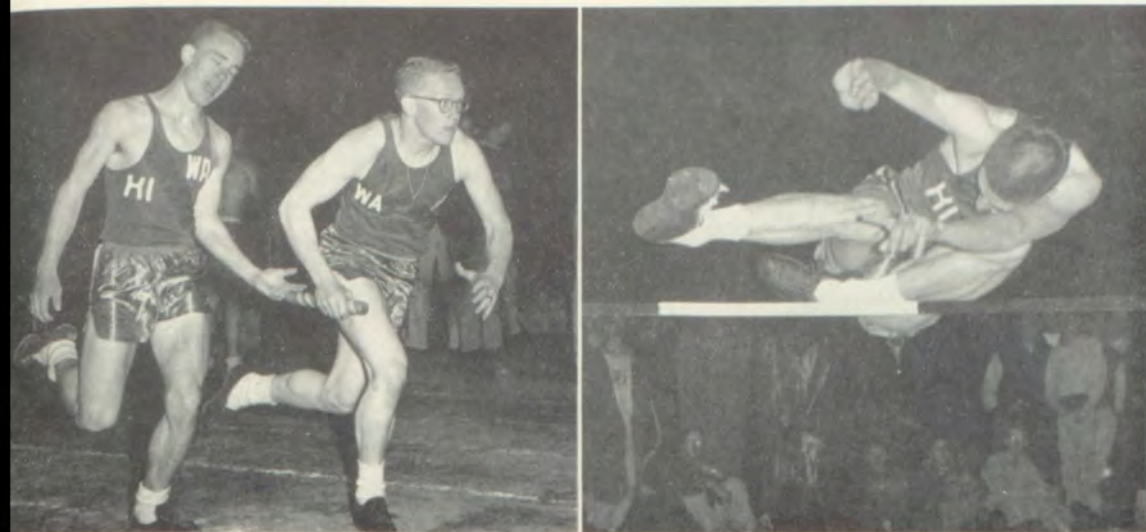

. . . It was a busy season for the track boys of Wa-Hi this year. The season opened with The Mac-Hi Speed Carnival in which our boys got off to a slow start.

The next day on April 10th, the Blue Devils participated in the W.S.C. Invitational at Pullman. The Devils came in a strong fourth with 15 points; ten of which were made by Ed Carter who broke a three year old high-jump record and the remaining 5 points were made by David Casper who won in the high hurdles.

April 16, brought around the Richland Dual at Richland. The Devils topped the Bombers 69-53. It was a good day for the Wa-Hi thinclads, Ed Carter came out top point man with the blue ribbons in both hurdles and runner-up in the high jump; Con Gettman won with his fastest mile, 4:56; Roland Hussey, Don Featherston, and Gordon of Richland had a three-way deadlock on first in the pole vault, Don Scholl won in the discus and quartet relays; Al Elliot came in second in the broad jump; and Rich McDowell came out on top in the 220.

Next on the agenda were the Wa-Hi relays held at Borleske field. Yakima won the relays with 54 $\frac{7}{10}$ points while the Blue Devils came in second with 44 $\frac{1}{2}$ points.

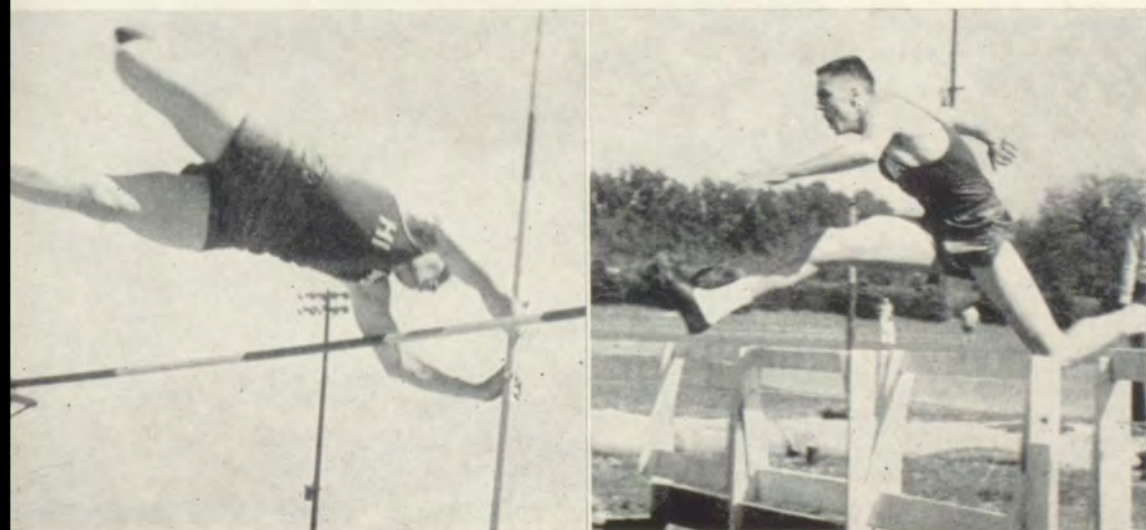

At the Yakima Invitational Meet, May 1st, the Blue Devils took fifth place. Ed Carter broke a nine year old record with a leap of five feet eleven inches. The very next week, May 7, Wa-Hi placed second in the Richland Triangular Meet in Richland. George Sullivan turned in his top performance of the year in the 440 in 53.4 seconds, another new mark.

Next came the District Track Meet held at Borleske Field in Walla Walla. The Devils with 52 $\frac{1}{2}$ points were runnersup to the Clarkston Bantams who totaled 58.

Ed Carter and Darrell Morton broke two records at the Tri-District Meet and qualified themselves for the State Meet held in Pullman. Carter cracked an age old record by leaping an even six feet. Morton winged the javelin 170 feet and 1 $\frac{1}{2}$ inches to break Wa-Hi's 1952 record of 167 feet 8 $\frac{3}{4}$ inches. David Casper also qualified for the State Meet.

At last the State Meet came on May 28-29. Wa-Hi came in seventh with 6 points while Stadium High won the meet with 23.

We are all very proud of the efforts of both the track boys and the coaches, Felix Fletcher and Chuck McBride, who did their very best in this '53-'54 season for Wa-Hi.

The girls tennis team had a fairly successful year under the direction of Mrs. Houghton. Matches were held with Pendleton and Saint Paul's. The team lost both matches with Pendleton and tied with Saint Paul's. Players for singles were: Sheri Koehler, Eleanor Whitney, Edna Gies, and Loretta Smith. Double players included: Sheri Koehler, Eleanor Whitney, Ilone Hinkle, Joanne Erdman, and Marlene Maughan. Eugene Fong was the only member of the boys' tennis team.

The 1954 golf team coached by John Klumb was composed of four members. Two seniors, Dick Gohlman and Reed Clark; one junior, Jim Fiddes; and one freshman, Bill Carpenter.

Out of the five tournaments entered by the Wa-Hi divot diggers, they were consistent and placed second in all five. Teams the Blue Devils competed with were: Colfax, Clarkston, Lewiston, Moscow, and Pullman. At the close of the season the team kept up the consistent pace and placed second in the Bi-State League championship tourney at Colfax only a few strokes behind the winners, Lewiston.

In the school championship matches, Clark beat Gohlman 4 and 2 and Fiddes beat Carpenter 8 and 7 in thirty six holes. Reed Clark was the winner, winning 6 and 4.

Play Day always brings about lots of fun, food, and frolic. This '53-'54 Play Day was no exception to the rule. The school service clubs provided the various food stands, and the Key Club "dunking pond" provided some new and original fun. Also a street dance was a new addition to the affair. All attended the afternoon track meet.

The Senior Sneak was successful as always. The sun was very warm at Bingham Springs on the special day the seniors sneaked. There was plenty of good food to eat and lots of sun but not a great deal of relaxing was done. Mr. Klavano and Mr. Anderson fished while chaperoning the affair.

A midnight movie, dancing at the Elks, swimming at the Y.M.C.A. and a breakfast, prepared and served by senior mothers, concluded the program, at which an excellent attendance was noted.
